The Palomar Gem and Mineral Club is proud to announce our **2018 Gem, Mineral and Jewelry Show** which will be held on **Saturday, June 9 and Sunday, June 10**. For the fifth year in a row our event will be held at the beautiful California Center for the Arts in downtown Escondido.

Our show is rapidly building a reputation as one of the *premier gem and mineral events in Southern California*. Here's some feedback from vendors: **"Great show, I want the same space next year!"** **"Fantastic venue and the club members were very helpful."** **"Great attendance and people were buying!"** **"We had a great show this year; we will be back next year for sure."**

We would like to offer you the opportunity to secure a dealer space at our 2018 show. We will be offering 7 booth sizes again this year which will be priced at the \$20/linear foot. Please send your check for 50% of your booth cost as soon as possible to secure your favorite booth.

We are happy to provide printed marketing material for your customers upon request. Electronic versions of our promotional materials will also be available on our website for you to download and distribute to your clientele. Each year we improve and expand our own advertising to bring in as many quality buyers as possible.

We look forward to a record setting 2018 show and hope that you will join us. To reserve your space, please mail the completed contract with your deposit to:
